

Stranger Danger

Created by Year 2

Strangers are dangerous and will try to trick you!

Talking to strangers is a **NO!**

Run, yell and tell a trusted adult if there is a stranger nearby!

Always try to go somewhere with a group of friends or family!

NEVER GO WITH A STRANGER!

Go tell your friends what they should do!

Even if they offer you sweets, say **NO!**

Run away as fast as you can and tell someone you know!
