

If people online are mean or worry me:

I should:

- Tell an adult I trust straight away
- Report anything that worries or upsets you
- Save messages for evidence
- Try to stay calm and do not panic
- Try not to get upset or angry

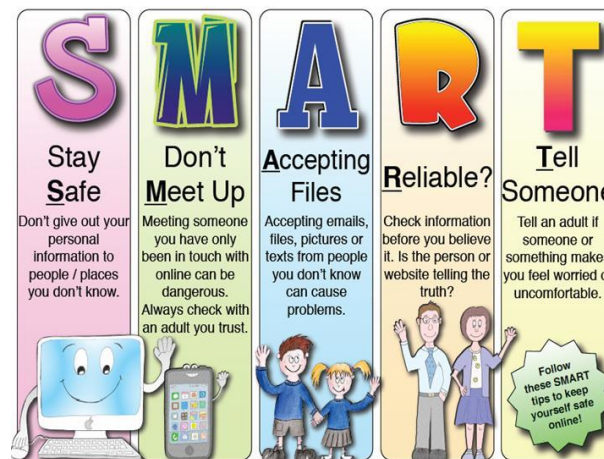

I should NOT:

- Keep things to myself
- Be nasty or unkind back
- Delete messages
- Get angry or upset

What Our Lady's does to respond to Online Safety Issues:

- We take online safety very seriously
- Investigate anything that is reported to us
- We listen to the children involved and offer support
- Educate all adults and children about being safe online
- Contact parents and carers
- Invite organisations in to help us all understand how we can be safe online

What is Online Safety?

Online safety is making sure we are safe on the internet and feel protected when using technology and social media sites.

The internet is great because...

- You can play games and have fun
- You can talk to friends and family
- You can learn new things
- The internet can help us with school work
- You can shop online!

Online Dangers we can experience include:

- Cyberbullying - Some people can be mean to us and can do and say unkind things to anyone
- Stranger Danger - Some people online can lie and pretend to be our friends
- Online Material - Some things online are not suitable for children
- Identity Theft - Some people will ask for personal information about ourselves

When we are online we should know:

Who is responsible for Online Safety at Our Lady's?

Miss Quinn

Mr Shepherd

Mrs Minchin

Our Helping Hands

- Family
- Friends
- Teachers
- NSPCC

Our Internet Safety Rules

These rules help us to stay safe online:

- Be kind to others online
- Keep our personal information private
- Always ask if you are unsure or tell an adult if you feel unsafe
- Only talk to people you actually know in real life
- Only use the internet when adults are supervising you
- Keep passwords secret
