

PTFA EASTER FAIR

Newsletter

2026

A HUGE THANK YOU!

Dear Our Lady Families and Friends,

On behalf of the PTFA, we would like to thank you immensely for your support during our Easter Fair. It was a huge success and because of all of your contributions, we were able to raise a whopping £2210.00! This money will go on to enhance the children's learning experiences and help us to raise even more funds during future events.

It is because of your support and contributions, that we are able to put on these events for the children, and it does not go unnoticed so thank you again. The PTFA group have worked really hard on this event and we thank the school for supporting us with our vision and allowing us to put on Our Lady's first ever Easter Fair.

We look forward to seeing you all at our Summer Fair, where we aim to raise even more funds to enrich the experiences we are able to offer our children here at Our Lady.
