Monday 27th November 2023

Dear Residents

We are Year 3 pupils at Our Lady's Catholic Primary School and we are wonderful because we care for each other and are always willing to help those around us. We have some exciting news! We are coming to visit you and we hope that you will enjoy this. We have many talents that we can share. What talents do you have?

We are very welcoming, honest; loving and can cheer anyone up! We are excellent readers, fantastic artists, sensational singers and très bien when speaking French. We have green fingers, feet that love to dance and move and we learn really quickly. We would like to share our talents with you and Wednesdays are the best day for us to visit.

We are really excited to meet you and we have lots of questions for you so that we can all work together. We would like to start with some drawing and colouring, so get ready to exercise your hands and brains.

Sending lots of love and hugs,

Year 3 Pupils at Our Lady's

Michaela
