

SMSC through the EYFS

Spiritual

The EYFS promotes spiritual development by providing learning opportunities that will enable pupils to sustain their self-esteem in their learning experience; develop their capacity for critical and independent thought; foster their emotional life and express their feelings; experience moments of stillness and reflection; discuss their beliefs, feelings, values and responses to personal experiences.

Moral

The EYFS promotes moral development by providing learning opportunities that will enable pupils to recognise the unique value of everyone; listen and respond appropriately to the views of others; gain the confidence to cope with setbacks and learn from mistakes; take initiative and act responsibly with consideration for others; distinguish between right and wrong; show respect for the environment.

Social

We promote social development in the EYFS by providing learning opportunities that will enable pupils to develop an understanding of their individual and group identity; begin to understand the need for social justice and a concern for the disadvantaged.

Cultural

The EYFS promotes cultural development by providing learning opportunities that will enable pupils to recognise the value and richness of cultural diversity in Britain, and how these influence individuals and society; recognise Christianity as a world-wide faith; develop an understanding of their social and cultural environment; develop an understanding of Britain's local, national, European, Commonwealth and global dimensions.
