

Learning Behaviours:

The children will be focusing on the following learning behaviours over the course of the term in order to become learning champions.

Including being:

1. Active Communicators
2. Pro-active Social Thinkers
3. Self-managers
4. Independent Learners
5. Reflective Learners
6. Information Processors
7. Effective Investigators
8. Creative Thinkers
9. Problem Solvers

Maths:

This term, Year 3 will be learning about addition and subtraction as well as starting the multiplication and division topic.

During the addition and subtraction topic, the children will be learning the skills and methods to add and subtract two 3-digit numbers. This will include understanding how to exchange, using estimation and the inverse to check their answers.

Children are also expected to continue to practise their 3, 4, 6 and 8 times tables using their TT Rockstars account.

English:

During English this term, the class are looking at humour in a fantasy tale. They will be using extracts from Carlo Collodi's Pinocchio to help them. They will be using other fantasy texts alongside this to aid them in their writing.

In addition to improving their reading and writing skills, the children will also improve their GPS skills using the text. This will include their knowledge of adverbs, conjunctions, nouns, prepositions and inverted commas.

Year 3 Term 2

Outdoor Learning:

During Forest school this term, the children will be presented with a key text to use for inspiration for their projects. The key text will be changed weekly to introduce new themes and to encourage new ideas and curiosity.

They will also have another outdoor learning session weekly, that will be linked to the curriculum.

RE:

The topic for this term is 'Visitors'. In this topic, Year 3 will be exploring the time at Christmas when the gift of Jesus is celebrated, given by God, as a sign and expression of God's love. Giving and receiving reflects the truth that all life is given by God, and life is given meaning through the gift of Jesus' visit.

In Year 3, the children will access various parts of the curriculum through a continuous provision approach. This includes, but is not limited to, Science, Art, DT, History and Geography.

The expectations of the children's learning projects have increased. The children are expected to create more in depth plans and evaluations for their projects, alongside exploring new ways of learning.

Children are also expected to complete a range of challenges in conjunction with their chosen projects. These challenges will be based around the various KS2 subjects and many will have cross-curricular links. These challenges are carefully designed and planned to build each child's knowledge, skillset and independence.

PSHE:

During PSHE, Year 3 are looking closely at the Zones of Regulation, how this helps them and how to include this in their day-to-day lives.

They will also continue to use their Ten Ten resource to look at society, alongside their faith and themselves.

Creative Curriculum:

The topic for this term is focused around the Fundamental British Values. The children will learn about the Windrush Generation through a variety of research-based tasks. They will be taught using a variety of art and literature from this period.
